Our House System

C.N.M. School & N.D. Parekh Pre-Primary School

When a child is born, its world is within the confines of its house.

As the child grows, the whole of the Earth becomes its home.

It is then, that the child begins to look beyond the Earth.

To our ancestors, the sky was the abode of Gods.

They thought that the stars and the planets possessed mysterious powers that shaped their destiny.

We at C.N.M.S. have therefore chosen to name the houses based upon the planets.
